The Lehigh Valley Quarter Midget Racing Club is a nonprofit 501c3 organization for children ages 5-16 and has been shaping young racers for over 60 years. We promote quality family time and teach children the importance of good sportsmanship. We are a unique organization as we offer our children a college scholarship after they have completed their racing with us. All of the proceeds from our fund raisers goes back to the children at the end of the year at the annual banquet where we celebrate their racing accomplishments throughout the year.
