Next Meeting – September 1, 2011 at Famularo's Catering @ 7:30 pm

• From the General Meeting

George Renz has been elected as Head Judge.

Our annual fun day race is August 20. As in the past, competitive activities will replace the heat races, and the result of the competitions will determine the feature starting order. Also this night the refreshment stand will be serving only a limited menu. This way more of our members can participate in the competitions. In order to allow sufficient time to get all the games and other things set up, all members are asked to sign in by 2pm so that things can get underway by 2:30pm. Melissa Buchinski has been working on the games and there will be prizes. Mike Roselli will be bringing the cotton candy machine for an added treat. We will also be having a "secret auction". Each member is asked to bring a wrapped prize valued at more than \$10.

A major work detail has been scheduled for Saturday August 27 at 2pm. We will be giving the grounds, refreshment stand, tower, tech and tractor shed a good cleaning. This is an "all hands" work party and the fine for missing and/or not having a replacement is \$100.

Now that we have all the paper work in place, the Club will be applying for Small Games of Chance license from the county. George Renz has donated \$500 to the Club for the fundraiser committee to use in buying prizes. Thanks to George for getting this project moving. We would like to run our first raffle in conjunction with the Kenny Hein race on September 24 and 25. Please make your suggestions at the general meeting or via email to the Club.

We want to thank the staff and management of Big Diamond Raceway for inviting us to be on display at their track and to Brian Buchinski for helping to set this event up. The kids got to see a night of racing and collected \$142.25 in the helmet collection.

The 15+ years old soda cooler quit working so we now have a brand new one purchased with funds from the Kenny Hein Improvement Fund.

The B's Automotive Trophy Race is being moved from July 30 to September 10.

◆ Fun Day sign-in has been moved up to 2pm with the games starting at 2:30. We will have a limited standard menu because of all the food bought for the NASCAR race that was rained out.

◆ There will be a major work detail on 8/27 at 2pm. This is for everybody! The fine for missing or not supplying a replacement is \$100.

◆ Kenny Hein Memorial Race – The Kenny Hein race is coming up on the 24th and 25th of September. T-shirt sponsorships are \$25 per item, "Fast Time" sponsors are \$25, and trophy sponsors are \$100. Ken Fetherman is collecting the money and info for the T-shirts and Mike Roselli is collecting the money and info for the "Fast Time" and Trophies. We are planning on the following classes: Beginner, Junior Novice, Novice, B, MOD, Honda120, Honda160, and World Formula. The program will be similar to last years' with time trials, heats, and features on Saturday and double features on Sunday. The trophy presentation will take place after the conclusion of the last feature on Sunday. Racers need to be registered by September 12 to give us time to make sure we have enough prizes on hand.
